

# WEYERMANN® Nr. 9 Willy Wonka Bock

## Beer description

This pure strong beer specialty appears in a full red and mahogany brown color with a long lasting head that is reminiscent of the cream on top of the cappuccino. Its aroma can be compared to a basket of fruit like peach and melon. One can also smell nuances of apple, orange, pineapple and banana. With the first sip, the nectar-like beer tastes sweet, much like honey or liquor. The strong flavor of caramel is followed by a bitter and warm aftertaste. This style of "Bockbier" is best suited for classic roast, spicy dishes or a strong tasting cheese.

## Beer style

Dark Bock Beer is bottom-fermented, with white to beige, long-lasting head. The color ranges from brown to marron or cooper. The malt character is strong and reminiscent of caramel and bread. The finish is moderately bitter and sweet.
